

Haddonfield Monthly Meeting
Called Meeting for Worship for Business
2017-01-15
MINUTES

Meeting was called by Clerk Jake McGlaughlin at the rise of Meeting for Worship.

Friends were advised of a request by Congregation Beth El which uses our meetinghouse facility on Saturday for a one time exception to our policy of not allowing alcohol on our property in order to be able to use wine as part of a ritual dinner for Passover Seder. After consideration of the issues, Friends approved.

Respectfully submitted,

William Remington Patterson, Jr., Alternate Recording Clerk.
